

# August 29<sup>th</sup> – September 2<sup>nd</sup>

I continue to be amazed by how well everyone has done navigating all of the expectations for 2nd grade. I'm so proud! In reading this week we'll focus on using our ability to make connections to a story in order to make predictions. We'll be reading Edward the Emu! In math, we'll continue to work on basic addition and subtraction by developing the ability to think about how we are thinking and sharing our strategies. For science, we'll be working on scientific method and we'll start PLTW with PROPERTIES OF MATTER. Please feel free to email me with any questions! [jennifer.duffey@beaufort.k12.sc.us](mailto:jennifer.duffey@beaufort.k12.sc.us) or on CLASSDOJO

## Events

- Aug 30<sup>th</sup> – MAP Testing (Reading)
- Sept 1<sup>st</sup> – MAP Testing (Math)

- \* Don't forget to send your student with their purple folder each day.
- \* Please send a water bottle with your student.

## Learning Focus

### Reading

- Making connections and predictions
  - Vocabulary

### Grammar

- Mentor sentences
- Sentences:
- Capitalization/punctuation

### Social Studies

- How we fit into the world!
- Classroom Community – team building

### Math

- Unit 1 – numbers and routines; introducing math workshop

### Writing

- Introduction to the writing
- Using pictures to help us write

### Science

- Intro to PLTW – Properties of Matter
  - ENCORE Schedule this week:
  - M: Lego Lab T: Art W: engineering
  - Th: P.E. F: Music
